SCAN YOUR ITEMS

Allowed - This item is allowed for MO WIC!

Not a WIC item - MO WIC hasn't approved this item. If you think you should be able to buy this food with WIC benefits, let us know by using the "I couldn't buy this!" icon in the app.

Unable to identify - The app can't determine if the item is WIC-approved.

The app can't scan certain barcodes on fresh fruits and vegetables or if stores use their own packaging.
